DISCLAIMER & TERMS AND CONDITIONS

1. This valuation is an estimate based on the gold rate and market conditions applicable on the valuation date. Actual selling or exchange value may vary depending on market prices, purity verification, deductions, and applicable charges.
2. This valuation report is issued solely to indicate the estimated value of the jewellery described herein. It is not proof of ownership of the jewellery.
3. This report is intended for valuation and reference purposes only. It should not be treated as an insurance guarantee, a wealth declaration, or a guarantee of eligibility for a bank loan or any other financial facility.
4. The valuation is based on the jewellery details and measurements recorded in this report. The final value may change if the actual weight, purity, stones, or other material composition differs from the recorded details.
5. The report is valid only for the stated valuation date and is subject to prevailing market conditions. Shivam Jewellers & Finance shall not be responsible for subsequent fluctuations in gold prices.
6. The customer is responsible for verifying the details recorded in this report before accepting it.

CUSTOMER ACKNOWLEDGEMENT
